INTRODUCTION AND CONSENT

Hello, my name is _____. I am calling from Ahmedabad CMF. We are calling you because **RESPONDENT'S NAME**, your friend, listed your name and number as a top agricultural contact. We have been surveying your friends on the phone about their agriculture for two months. Now, we wanted to reach out to you to get some information on your agricultural practices. We would like this information as part of a study with DSC, Sajjata Sangh, Awaaz De and AKRSP.

We anticipate that this phone call will take approximately 10 minutes. We will recharge you 20 Rs after the completion of the phone call for your participation. Your participation in this study is purely voluntary, and you may withdraw your participation or data at any time without any penalty. You may decline to answer any question.

Your data will be kept completely confidential. An electronic version of the data will be stored at Harvard Business School, without any personally identifiable information, and may be made available to other researchers.

We will be recording this call for the purpose of improving upon our survey. The recording and your information will be kept completely confidential. If you do not wish to have this call recorded, please let us know.

Do you have any questions about the study? You can also contact Niharika Singh (email niharika.singh@ifmr.ac.in) or Shahid Vaziralli (email Shahid.Vaziralli@ifmr.ac.in) at +91 79 4007 3682/3 at the Ahmedabad Office of Centre for Microfinance. You can also contact Toni Wegner, Coordinator, Protection of Research Participants by phone +1 617 496-9952, email twegner@hbs.edu at Harvard Business School.
